- Woodgrain doors and drawers
- Decorative glass or panel door option
- Wood appeal, polymer durability
- Effortless and fast assembly with internal levelers
- Power-washable
- Won't dent, mold, or rust
- Free shipping anywhere in the USA
- Environmentally friendly

### Assemble:

No power tools necessary. Simply align the pieces, give them a smack, and the connectors snap into place. The geometry of the cabinets and connectors creates a rock-solid piece that can withstand the forces of nature.

### Clean:

Feel free to use a power washer, garden hose, or cleaning agents, the choice is yours.

### Ship:

Cabinets are shipped to your doorstep in a flat pack box. No extra shipping, no heavy trucks, wherever you are!

## WHAT IS ELEMENTS?

Brought to you by R.J. Woodworking, Elements is a line of premium outdoor cabinets. Made with woodgrain HDPE polymer and 304 stainless steel, they are guaranteed to resist the harshest weather your deck or patio endures while looking better anything else on the market. Wind, snow, sun, or rain, ELEMENTS cabinets are your long-lasting outdoor living solution.
